

TUESDAY, OCTOBER 23

SUPPORT BRAIN INJURY SURVIVORS, DRINK BEER AND EAT PIZZA FOR A GREAT CAUSE!

Dine at Parry's in Highlands Ranch on Tuesday, October 23rd anytime between 5pm – 9pm, bring the flyer/mention this fundraiser to your server and 20% of your total bill will go to support Colorado's Brain Injury Survivors!

Drink some pints, eat some pizza and know that your dining experience is helping our friends in Colorado living with brain injuries. The Brain Injury Hope Foundation provides resources and education about the life-changing symptoms of head injuries and what to do to get better. They also provide emergency funding to help pay for living expenses.

A new program recently added, **Survivor Series**, is for brain injury survivors, their families, caregivers and medical professionals. To learn about this remarkable service, which provides a sense of belonging, a sense of community, a meal and training, please visit our web site:
